

Images of Yoshi

Age 9 in wartime Japan. She and her classmates chanted, "Nimitz, MacArthur! Come on! We'll kill you!"

Age 69 at left. This 2005 photo shows off her smile. She had just completed a yearlong dental implant procedure.

Age 24 in American cowboy country. Her first visit to the United States.

Age 55 in her courtyard garden. Yoshi is an avid gardener and has landscaped her American home in Japanese style. She lives with her husband of 43 years in Lake Forest, California, and vacations at length with him in Japan.

Age 29 aboard an Inland Sea ship. She was honeymooning.
